We're looking for young men and women between the ages of 18 and 35 who are high school graduates with a GPA of 2.0 or higher, and in good physical and mental health. If that's you – this could be your ticket to a global career!

And here's the best part — at FSM-FMI, you'll enjoy free room and board with three meals a day, free textbooks for all your courses, round-trip airfare for off-island students, and full access to our Cadet Centre with internet and gym facilities — all at no cost to you!

At FSM-FMI, you'll be trained by **certified instructors with international credentials**, using **modern training equipment and simulators** that meet global industry standards. You'll graduate with **internationally recognized certificates** that comply with **International Maritime Organization (IMO) standards**, qualifying you for jobs on **merchant ships, surveillance patrol boats, fishing vessels, and in shore-based maritime operations** — not only here in FSM, but around the world.

Ready to join? Simply complete your application and submit it along with a copy of your passport, birth certificate, health certificate, high school transcript, and police clearance. Be sure to submit your application by June 30, 2025, at COM-FSM Yap Campus or FSM-FMI.
